Date : 9th May 2025

CIRCULAR

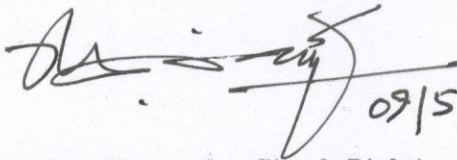

It has come to the notice of Board of Management that there have been instances of miscommunication and inappropriate behaviour towards security guards while managing vehicle parking in the campus by faculty members.

We would like to remind all faculty members that the security staff are performing their duties as per University guidelines to ensure the safety and orderliness of our premises. They must be treated with mutual understanding and cooperation at all times. Any concerns regarding parking arrangements should be directed to the Administrative Officer rather than addressed directly or aggressively with the security personnel.

Secondly, in the light of current situation in the country and as a precautionary security measure, all students are to be strictly checked for proper uniform and possession of a valid identity card upon entering the campus. All Deans/Faculty members/Proctorial Board/DSW Board are requested to ensure that:

- No student is allowed entry without wearing the prescribed uniform.
- All students must display their identity cards at all times within the campus premises.

This measure is being taken to maintain a secure and orderly environment for everyone in the Campus. We expect full cooperation from all Deans/Principals/Heads/Faculty members in implementing the above orders effectively.
